Dear Sir /Madam

SUBJECT: A LETTER OF APPRECIATION OF THE HIV&ME WORKSHOP SPONSORED BY EDCON

1. The above matter has reference .
2. On behalf of the SMT (School Management Team) and the educators of the above school we would like to thank the Regency Foundation Network for choosing our school and come and train our educators on the HIV & Me programme to our school .
3. We thank you for breaking through the barriers of resistance and scales of intellectual blindness to our beloved educators .
4. Thank you for discovering the diamonds and gold in the desert of ignorance and bareness..
5. You have really made our educators lead grade 8 learners to climb the Mountain of Olive without Getsemane's anguish for your olive branch of tranquility and serenity hidden in your facilitator's nurturing tongue .
6. Over and above to the heights , we thank you for effort you made as seen by the eyes of the minds of our educators and grade 8 learners.
7. Surely , indeed , undoubtedly we mean what we say when we finally jot down.We thank you and many invisible thanks of our heartfelt gratitude accompany this leaflet .
8. We thank You and God Bless You.

Truly yours.
